Dear Parent or Guardian:

We are requesting your assistance in identifying federally-connected students for our Impact Aid federal grant program. The presence of federal activity on Fort Rucker impacts the Enterprise City Schools' (ECS) operating budget.

The Impact Aid federal grant program provides funds and technical support to local educational agencies that are financially impacted by federal activities. The funds become a part of the school system's general operating budget and are critical to supporting the high quality of education that Enterprise City Schools provides to our children.

The Impact Aid Survey Form printed on the reverse side is used to support our application for Impact Aid funds. **If your child was attending Enterprise City Schools on October 14, 2020, please complete the survey form and all other sections that apply in blue or black ink, sign, date and return to your child's school.** Please sign the survey **on or after October 14, 2020** and return it to your child's school no later than **October 21, 2020**. To preview a copy of the Impact Aid Survey, visit www.enterpriseschools.net.

- Complete Section A for each child
- Sections B, C, and D are applicable to persons who live or work on federal property
- If you are not federally connected, Complete Section A only, sign and date at the bottom

The information you provide will be regarded with confidentiality. If you need additional information, please call 334-347-9531 to speak with Dr. Cain, Assistant Superintendent.

Thank you for your continued support.

Sincerely,

Gregory S. Faught
Superintendent
