

# **Enterprise High School Parking Space Painting Guidelines and Information 2018-2019**

This year EHS students will have the opportunity to paint and personalize their parking spot on campus. The proceeds of this fundraiser will go towards helping improve the Enterprise High School campus to promote more success among our students.

The cost to paint and personalize a parking spot will be \$70 in addition to the normal parking permit fee. Students will also have the option to paint over their spot at the conclusion of the school year or pay an additional \$10 and the school will assume that responsibility.

There are currently four days designated for painting spots. Those days are July 28, July 29, August 4, and August 5.

## **Guidelines for your Design:**

**Before your design can be submitted you must have proof of an Enterprise High School Parking Decal. The available dates to purchase a parking decal are:**

**July 25th - Seniors 8:00 AM - 12:00 PM**

**Juniors 1:00 PM - 4:00 PM**

**July 26th - Sophomores 8:00 AM - 12:00 PM**

**Freshman 1:00 PM - 4:00 PM**

Think of your spot as a t-shirt you would wear to school. Your parking spot must meet dress code approval. Any design associated with gangs; advertising drugs, alcohol, violence, obscene language; handicap symbols; symbols that may cause confusion; or anything that promotes illegal activities will not be permitted nor approved. You may include your name, jersey number, instrument, hobby, famous quotes, slogans, or anything unique to you as it meets with administrative approval.

**Students must submit a design or sketch for administrative approval before they are allowed to begin painting or personalizing their spot. The designs must be submitted no later than July 26, 2018 to begin on July 28th and 29th; or submitted no later than August 3, 2018 to begin painting on August 4th and 5th. Payment and designs must be submitted to Rachel Jones in the main office. Please make checks payable to Enterprise High School and add Parking Spot Design on the memo line. If you wish to purchase your spot the same days as your permit, please have a design complete along with this packet ready to turn in that day.**

## Paint Requirements

**WATER BASED EXTERIOR LATEX** paint is the only type of paint that can be used to paint and personalize a spot. You may purchase **WATER BASED EXTERIOR LATEX** paint at local stores like *Enterprise Paint & Industrial and Sherwin Williams*. You may also purchase paint at big retail stores like *Lowe's and Home Depot*. It is also important that you use blue painter's tape to ensure that a clean and neat border is accomplished.

### UNAPPROVED PAINTS

- No oil based paints
- No reflective paints
- No spray paints
- No fluorescent paints

## What to bring to the painting party??

Be sure to bring you approved design or sketch with you on paint day. Also, you will be responsible for all paint brushes, rollers, paint pans, and painter's tape. Feel free to bring your family and some lawn chairs. You may even want to add a tent or canopy to help provide shade. Sunscreen is always a good addition. Drinks, stencils, rags for cleaning, trash bags, a drop cloth/plastic, and paint clothes are other items that are suggested for your paint day. **DO NOT BRING ANY KIND OF PAINT SPRAYERS OR CLEAR COAT.**

- ★ Only in the case of rain will a set of alternative dates be announced.
- ★ July 28 and 29th and August 3rd and 4th are the ONLY days that painting will be permitted during designated times.

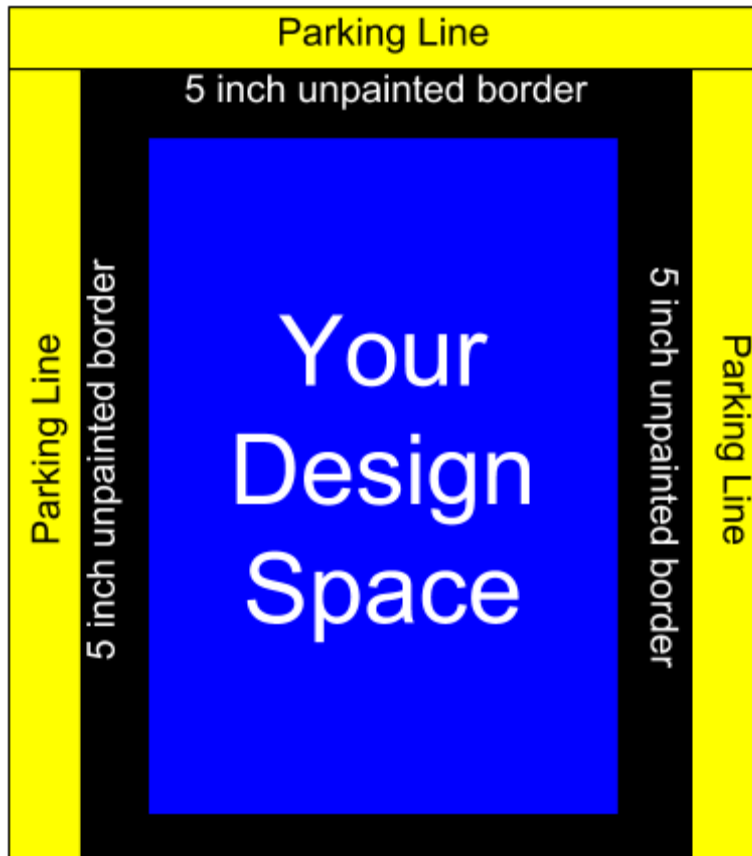

## Clean Up Day

Clean up day is set for May 18th and 19th from 8:00 AM - 12:00 PM. In an effort to properly clean up your spot, you must paint (roll) over your spot with a shade of **black exterior latex paint that matches the surrounding asphalt**. If you do not wish to do this, a fee of \$10 will be added to your initial cost as a clean up fee. This \$10 fee must be paid up front. If you do not wish to add the \$10 clean up fee initially we will have a small window of time in which you may pay that fee at the beginning of May. If you do not pay the clean up fee and do no wish to paint over your spot. A fee of \$20 will be added to your school account and you will not be allowed to purchase a new parking decal the following year or receive graduation documents until your account is paid in full.

**If you wish to have the same spot the following year, you may leave your design. You will be required to pay an additional \$70 each year you wish to use the same spot. We must be notified and receive payment by May 17, 2018.**

## Spot Guidelines

1. There must be at least a 5 unpainted border between your design and the painted parking lines on all sides. (top, right, bottom, and left)
