

ALABAMA DEPARTMENT OF PUBLIC HEALTH ANNOUNCES COVID TESTING LOCATION AT ENTERPRISE STATE COMMUNITY COLLEGE

ENTERPRISE, AL (MONDAY, JANUARY 17, 2022) - The Alabama Department of Public Health is partnering with Easy Testing to offer COVID-19 testing at Enterprise State Community College, 600 Plaza Drive, Enterprise, AL 36330.

Testing is available Monday to Friday from 8am to 5pm, starting Tuesday, January 18. The testing utilizes a Yale saliva PCR test with results returned in 24 - 48 hours.

Anyone needing to be tested can pre-register at [EasyTesting.com](https://www.easytesting.com), but pre-registration is not required. Insurance is also accepted, but is not required to be tested or to register.

Easy Testing has operated similar testing sites in Baldwin County & Monroe County, Alabama as well as multiple locations in Maricopa County, Ariz., since the beginning of 2021.

ABOUT EASY TESTING:

Easy Testing was born in response to the pressing need for safe, effective, and accurate testing during the global COVID-19 pandemic. With so many tests to choose from, long lines at your local testing centers, and often longer waits for test results, Easy Testing removes the confusion & hassle from the equation by offering safe and efficient turnkey solutions. Easy Testing is a division of Health Screening Services, LLC.

Find out more at [HealthScreeningSolutions.com](https://www.healthscreeningsolutions.com) & [EasyTesting.com](https://www.easytesting.com).
